Browse

300,000+ e-books, from bestsellers to classics

Read

instantly—anywhere, anytime

SimplyE is The New York Public Library's free e-reader app that makes it easier than ever to borrow e-books. It is available on the [App Store](#) or [Google Play](#).

Developed by NYPL as an open source initiative, now other libraries can provide a consolidated and clear view of their e-book collections. Libraries and developers can learn more at the [SimplyE project site](#).
